## Winter has arrived! Happy New Year 2010!!!!

As we all got ready for the holiday season in December, we found ourselves dealing with ice and snow. We hope everyone was able to weather the adversity and stormy weather.

Please note that classes that were canceled due to weather in December will be made up in the future. Your child's teacher will send a notice home with the make up dates and time. Please refer to the bulletin boards in the waiting room as well as our web site for updates and information.
